

REVONAH

# DEDICATION

Mrs. Richard Eberhardt

A school will not run smoothly by itself. It takes work - hard work. A large part of this work is done by our school secretary. Every day she sells lunch tickets, writes out passes, makes announcements, listens to complaints, and occasionally bawls us out. She has devoted many years to us and to our school.

It is with great appreciation that we dedicate the 1968 REVONAL to MRS. RICHARD EBERHARDT.

# PRINCIPAL'S MESSAGE

To The Student Body:

The Class of "68" is about to graduate. The Eighth is only weeks away from being Freshmen. Life, with all its rewards and "setbacks," goes on. Today you are students; tomorrow you are the young adult leaders of our world. What world? Not a world of crime, war, drugs, draft dodging, and disrespect for authority, but a World of Opportunity. The opportunities for our students have never been greater in the History of Mankind.

Don't be a prophet of "gloom and doom", be a Crusader of opportunity and happiness. Add to your 3 R's the R's of Respect, Responsibility, and Righteousness.

In closing, I want to congratulate our student body for their fine conduct during their years in school and I am very happy to be a small part of your educational program. Remember and cherish your years in school, but do not be afraid to move on to new and better things.

Mr. Murphy
